muthurose2204@gmail.com

Avadi, Chennai - 600055

PROFILE

I am a passionate software and Android developer with experience in PHP, CodeIgniter 4, MySQL and JavaScript. I have developed several Android applications and enjoy building efficient, user-friendly solutions. I am also skilled in front-end technologies like Bootstrap and Tailwind CSS. Continuously eager to learn new technologies, I strive to enhance my development skills and contribute effectively to innovative projects

WORK EXPERIENCE

2023 - PRESENT

Qbrainstorm Software - Valasaravakkam, Chennai

PHP Developer

- I develop and maintain web applications using PHP, MySQL, HTML, CSS, and JavaScript.
- I work on building ERP, CRM, APIs and eCommerce systems based on client requirements.
- I fix bugs, add new features, and ensure smooth performance across all projects.

2023 (JUNE) - 2023 (AUG)

Shiash Info Solution - Shozinganallur, Chennai

Python Developer Intern

- I worked on Python-based web applications and learned backend development basics.
- I assisted in writing scripts, debugging code, and supporting small projects with the development team.

2022 - 2023

Jnana Marga Technologies Pvt. Ltd.

Android Developer Intern

- I worked on Android app development using Java and XML in Android Studio.
- I assisted in debugging issues, implementing new features, and enhancing the user interface for better user experience.
