## Wordpress Developer

☎ 9445704747    ✉ meiyarasumarimuthu@gmail.com

## Profile

---

I'm a WordPress Developer skilled in custom theme development, ACF, WooCommerce, and leading page builders. Experienced in website maintenance, client coordination, and creating responsive, high-performance sites. Also trained in AWS cloud services with hands-on internship experience in cloud infrastructure.

## Work Experience

---

### Wordpress Developer - Xtracut Systems Pvt Ltd

March - 2024 - Now

- Proficient in developing custom WordPress themes based on tailored UI/UX designs with pixel-perfect precision.
- Experienced with ACF, WooCommerce, custom post types, and leading page builders like Elementor and WPBakery.
- Skilled in creating responsive, high-performance websites focused on seamless functionality and user experience.

### Website Maintenance Lead - Xtracut Systems Pvt Ltd | Aug 2023 - Feb 2024

- Led the maintenance of 25+ websites, including prestigious brands like SRM Group, SSN, VELS, SNU, Rajalakshmi Institutions, and St. Joseph.
- Handled website updates, performance monitoring, and issue resolution to ensure smooth operation.
- Acted as the primary point of contact for client calls and meetings, ensuring effective client coordination and satisfaction.

### Internship - Xtracut Systems Pvt Ltd

Aug 2023 - Feb 2024

- Supported the team in resolving client tickets, primarily focused on website content updates.
- Gained practical experience in WordPress content management and client communication.

### Internship - Zynoviq Solutions Pvt Ltd

Aug 2023 - Feb 2024

- Gained hands-on experience in AWS services, assisting with cloud infrastructure setup and management.
- Worked on deploying and maintaining scalable applications on AWS, learning key cloud computing concepts.
