## PROFILE SUMMARY

A passionate and meticulous UI/UX designer with expertise in crafting intuitive and visually striking digital experiences. Proficient in wireframing, prototyping, and conducting user research to design interfaces that are both functional and aesthetically pleasing.

## EDUCATION

- HSC (2016)  
Rajiv gandhi National Matric Hr Sec School - 84.6%
- Annai College Of Engineering & Technology - 90%  
B.Tech Information Technology - (2016-2020)

## TOOLS

- Figma
- Adobe Photoshop
- Adobe illustrator
- Balsamiq
- Marval
- Adobe XD

## LANGUAGE

- Tamil
- English

## SKILLS

- User Research & Personas
- Wireframing & Prototyping
- Interaction Design
- Visual Design
- Usability Testing
- Figma, Sketch, Adobe XD
- Adobe Creative Suite (Photoshop, Illustrator)
- Basic HTML/CSS Knowledge
- Design Thinking & Problem Solving

## CERTIFICATION

- UX/UI Design course (June 2024 - Oct 2024)
- I completed a UX/UI course at Login 360 Institute, where I received positive feedback for my work.
- I gained in-depth knowledge of UX research, UI design, and practical experience in creating wireframes and working on projects through this course.
- This hands-on approach helped me continuously learn and enhance my skills.

## PROJECTS

### PETROL DELIVERY

- I conducted user research to identify the preferences of petrol delivery app users and developed personas to shape the design approach effectively.
- Developed low to high-fidelity wireframes and interactive prototypes in Figma, enhancing the user experience for a custom petrol delivery app and optimizing component selection.
- Tools used this project is figma balsamiq and photoshop

### EASY TICKETS

- Conducted comprehensive user research to identify the preferences of Easy Tickets installment app users, developing detailed personas that helped guide the overall design process efficiently.
- Created low to high-fidelity wireframes and interactive prototypes using Figma, improving user experience for custom PC building and component selection.
- Tools used this project is figma balsamiq and photoshop
