ABOUT ME

Web Developer with 7.6 years of overall experience, including 1.6 years in PHP-based eCommerce development and 6 years in designing, developing, and managing custom WordPress websites. Specialized in creating responsive, SEO-friendly, and high-performance user interfaces. Proficient in HTML5, CSS3, JavaScript, and skilled in integrating front-end designs with WordPress and PHP-based back ends. Strong understanding of UI/UX principles, cross-browser compatibility, and performance optimization.
