HELLO, MY NAME IS

Surya Gunasekaran

Having 7+ years of experience in Frontend and WordPress development expertise with WordPress Plugins/Themes Customization, creating new WP Themes, WooCommerce, HTML, CSS, JS, PHP, and MySQL.

Proficient with Laravel, Angular, JSON, XML, REST API, Shopify, WIX, Magento. Also, I have 5 years of experience in design work for website development using Figma

EDUCATION

Bachelor of Science in Computer Science

2015 to 2018

Chellammal Women's College

Under University of Madras

MY EXPERTISE

Innovative Solutions

Programming

Proficient in front-end development with a strong command of HTML, CSS, JavaScript, and PHP. I specialize in custom WordPress development, plugin customization, and performance optimization, delivering clean, scalable code that meets real-world needs.

Design

With a keen eye for UI/UX, I create responsive, user-friendly interfaces that align with brand identity and enhance user experience. I bridge the gap between functionality and aesthetics, ensuring your website not only works great—but looks great too.

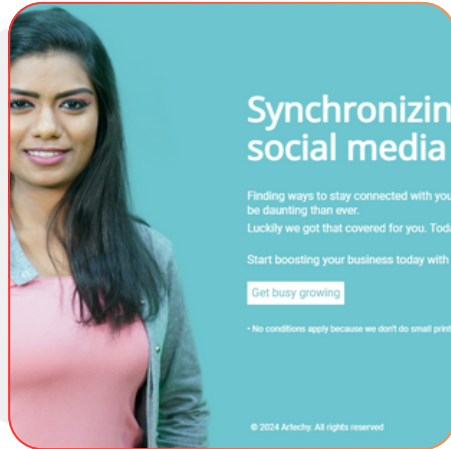

Database

I ensure your website runs smoothly behind the scenes with well-structured, optimized MySQL databases. From domain setup to secure hosting configuration, I handle the technical foundation your site needs to stay live and fast. I also keeps site secure, backed up, and performing at its best
