OBJECTIVE

Enthusiastic BE (CSE) graduate with 1 year of experience in WordPress and full-stack development. Proficient in WordPress, WooCommerce, PHP, HTML, CSS, JavaScript, and responsive design using Flexbox and Bootstrap. Experienced in backend development with SQL and phpMyAdmin, and integrating secure payment solutions. Seeking a Front-End or WordPress Developer role to apply strong web development and security skills in a collaborative environment.

EXPERIENCE

Vetri Technologies, Chennai

Web Developer | July 2024 – Present

- Developed responsive HTML, CSS, and Bootstrap
- Designed and maintained full-stack web applications using PHP, and MySQL
- Built and customized WordPress websites with WooCommerce functionality
- Created and maintained custom plugins to meet client-specific needs
- Ensured performance, security, and cross-browser compatibility
- Collaborated in Agile teams to deliver projects on schedule.

PROJECTS

Frontend Development (HTML, CSS, JavaScript):

Designed and developed two fully functional websites using HTML, CSS, and JavaScript. Built responsive layouts using modern CSS tools such as Flexbox, Grid, and Bootstrap.

Wordpress Development

Built four WordPress websites with plugins, design, and content. Made sure all sites were responsive. Set up products, cart, payment, and delivery on one WooCommerce site to fit business needs.

Backend Development (PHP & phpMyAdmin):

Handled backend development using core PHP and SQL, managing databases through phpMyAdmin. Created custom dynamic web pages and ensured secure data handling.
