Experience

Web Designer

Tridots Tech Pvt. Ltd

2014 – 2023

- Transitioned to Web Design, focusing on front-end development using HTML5, CSS3, Bootstrap, and JavaScript.
- Converted designs into responsive and SEO-friendly WordPress websites aligned with client requirements and brand guidelines.
- Managed small project teams and handled client communications during later project stages, ensuring quality and timely delivery.
- Contributed to React.js and Next.js-based projects, gaining hands-on experience with modern web app development.

Team Lead & Developer

Svaan Tech

2023 – 2025

- Lead the WordPress development team to deliver high-quality, responsive websites and e-commerce platforms using WordPress, Elementor, and WooCommerce.
- Develop custom WordPress themes tailored to business needs.
- Handled React.js and Next Js projects, developing component-based interfaces and integrating backend APIs.
- Optimize sites for SEO, performance, and security, ensuring smooth user experience and scalability.
- Mentor and guide junior developers, conduct code reviews, and support their skill development.
