CAREER OBJECTIVE

Motivated and versatile IT professional seeking a challenging position as a Front-End Developer, Java Developer, SQL Developer, UI/UX Designer, or IT Recruiter. I aim to contribute my technical and creative skills to build innovative digital solutions and support organizational growth through efficient software development and recruitment strategies.

SUMMARY

Enthusiastic Software Developer with a solid foundation in programming, web development, and problem-solving. Proficient in Core Java and SQL, with hands-on experience in HTML, CSS, and JavaScript. Passionate about creating engaging, user-centric web applications. Experienced in UI/UX design using Figma and Adobe XD. Familiar with IT recruitment processes and candidate evaluation.

EDUCATION

SSLC - Shalom Matriculation School, Chennai (Jun 2016 - Mar 2017)

HSC - Shalom Matriculation School, Chennai (Jun 2018 - Mar 2019)

B.Sc. Computer Science - Peri Institute of Technology (Jun 2019 - Jul 2022)

M.Sc. IT - University of Madras (Oct 2022 - Nov 2024 Expected)

SKILLS

Programming: Java, JavaScript, SQL

Web Development: HTML, CSS

Frameworks & Tools: Figma, Adobe XD, JDBC

Other: UI/UX Design, IT Recruiting, Version Control (Git), Responsive Design

PROJECTS

MyTunes Playlist

- Developed a music playlist web application with homepage, navigation, and playback features.
- Gained hands-on experience in front-end development using HTML, CSS, and JavaScript.

N SANTHOSH

Front-End Developer | Java Developer | SQL Developer | UI/UX Designer | IT Recruiter

Calculator App

- Created a static calculator using HTML, styled with CSS, and implemented logic using JavaScript.
- Learned DOM manipulation and user interface responsiveness.

People Like Food (UI/UX Design Project)

- Designed a food delivery app prototype in Figma, including homepage, categories, order cards, and icons.
- Focused on visual hierarchy, color, and typography to enhance user experience.

KEY ACHIEVEMENTS

- Completed a six-month IT course at QSpiders, focusing on Web Development, Core Java, JDBC, and SQL.
- Participated in multiple mock interviews and recruitment training sessions to understand hiring workflows.
