Front-End / WordPress Developer | Phone: 9360226931 |  
Email: abitha9896@gmail.com | Nagercoil, India

---

## Summary

Highly motivated Front-End & WordPress Developer (Elementor, WPBakery, Gutenberg, Beaver Builder) with strong skills in HTML, CSS, Bootstrap, JavaScript, SQL, and WordPress. Hands-on experience in building responsive and user-friendly websites. Previously worked as a Software Developer at Dhina Technologies and as a Web Developer Intern at Inbox Info Solution.

- Motivated developer with experience in both front-end and back-end technologies.
  - Looking to apply technical skills, problem-solving ability, and creativity to contribute to organizational growth.
- 

## WORK EXPERIENCE

### **Dhina Technologies Private Limited — Software Developer**

#### **September 2023 – March 2024**

Worked on website development based on client requirements using HTML, CSS, Bootstrap, and WordPress. Maintained accuracy, quality, and project deadlines. Responsible for UI design, development, and website optimization.

### **Inbox Info Solution, Nagercoil — Web Developer Intern**

#### **April 2023 – September 2023**

Worked on multiple web pages using HTML5, CSS, Bootstrap, and SQL. Monitored and resolved technical issues and provided support to team members.

Handled tasks in both front-end and back-end development.

### **Mount Litera Zee School, Mylaudy — Mathematics Teacher**

#### **December 2022 – March 2023**

Gained strong communication and analytical skills while teaching Mathematics.

---

## TECHNICAL SKILLS

**Frontend:** HTML, CSS, Bootstrap, JavaScript, WordPress

**Backend:** SQL, Java, Springboot

---

## PROJECT EXPERIENCE

### Front-End Projects (HTML, CSS, JavaScript, Bootstrap)

- Developed responsive websites with clean UI layouts.
- Built mobile-first pages using CSS3 and Bootstrap.
- Worked on dynamic UI components for improved user experience.

### Back-End (SQL)

- Designed and implemented databases for student record systems.
  - Worked with CRUD operations, SELECT, COUNT, JOIN, constraints, and normalization.
  - Managed data such as attendance, marks, and student profiles.
-
