KARTHI S

Frontend developer

ABOUT ME

Frontend Developer with 2.5+ years of experience Skilled at building fast, responsive and SEO-optimized sites using **HTML5, CSS3, JavaScript (basics), React.js, Next.js, WordPress (Elementor), Tailwind CSS** and **Bootstrap**. Version control (Git/GitHub), tools for development (**VS Code, npm**), as well as deployment platforms (**cPanel/Netlify, FileZilla, FTP/FileZilla**) are all skills that I possess. Basic backend integrations with **MySQL and Python** are a specialty. Delivered and maintained over 20 cross-browser-compatible web projects in the **healthcare, ecommerce, education and corporate sectors** with a focus of clean UI/UX, mobile-first design, and a focus on responsive design.

EXPERIENCE

Priyam Consultancy Services 2025 - present

Front end developer

- Developed responsive websites using HTML, CSS, JavaScript, and Elementor within WordPress
- Designed visual assets and layouts using Canva, ensuring brand consistency and modern UI/UX
- Customized themes, configured plugins, and optimized pages for performance and SEO

Skills used : HTML5, CSS3, WordPress, Elementor, Canva, Responsive Design, SEO

Byzero Technologies 2021 - 2023

Web Developer

- Develop scalable and responsive user interfaces using React.js with component-based architecture and JSX.
- Tailwind CSS, Material UI, and Bootstrap were used to design beautiful mobile-first layouts ensuring visual consistency and usability for our user-centric projects.
- Delivered over 15 custom websites using WordPress and Elementor that aligned with client branding requirements and performance goals.
- Customized WooCommerce stores were deployed via cPanel and FTP with layout changes as well as basic DNS setup taken care of.

Skills used : React.js, JSX, Tailwind CSS, Material UI, Bootstrap, WordPress, Elementor, WooCommerce, HTML5, CSS3, Responsive Design.

PROJECTS

Weather App

- Developed a responsive weather forecast app using React.js and Fetch API to display real-time weather details like temperature, humidity, and wind speed.
- Used React Hooks (useState, useEffect) for managing state and side effects. Built a clean and mobile-friendly UI using HTML5, CSS3, and responsive design principles.
- Implemented basic input validation and error handling for invalid city entries. Ensured consistent user experience across different screen sizes and browsers.

Skills Used: React.js, JavaScript (ES6+), React Hooks, Fetch API, CSS3, Responsive Design

- React.js, Next.js
- HTML5, CSS3 Tailwind CSS,
- Bootstrap Material UI, Responsive
- Design CSS Flexbox, CSS Grid
- Component-Based Design

CMS & Page Builders

- WordPress, Elementor
- WooCommerce, Canva

Design Tools

- Canva, Figma Wireframing,
- Basic Prototyping

Deployment & Hosting

- cPanel, Netlify
- FTP (FileZilla)

Other Technical Skills

MySQL (basic), Python (basic)

LANGUAGES

Tamil

English

Advice Generator App

- Created a minimal single-page application using React.js to fetch random advice from a public API.
- Leveraged functional components and React Hooks (useEffect) to trigger data fetching on user action.
- Styled the layout using CSS Flexbox to create a centered and accessible user interface.
- Focused on smooth UI transitions and micro-interactions for improved UX.
- Strengthened understanding of state-driven rendering and async operations in React.

Skills Used: React.js, JavaScript (ES6+), React Hooks, CSS Flexbox, Async API Handling

MovieList – IMDb Clone

- Built a movie listing web app with React.js that mimics IMDb, featuring movie titles, posters, and ratings.
- Implemented dynamic search and filtering functionality using controlled components and JavaScript array methods.
- Applied JSX and props/state management to render dynamic content.
- Designed a responsive layout using HTML5, CSS3, and custom media queries.
- Practiced structuring components for reusability and scalability.

Skills Used: React.js, JSX, Props & State, CSS3, HTML5, Responsive Design

CERTIFICATIONS

- Web Development – Softlogic Academy
- full stack developer – shiash info tech

TRANSFERABLE SKILLS

- Interaction & Active
- Listening Teamwork & Collaboration
- Multi-tasking

EDUCATION
